

Affirmations for Administrators

1. I will uphold my educational and professional integrity in myself and with students, parents and the school community.
2. I will provide students with a variety of opportunities to receive additional assistance, beyond the initial classroom instruction, to support their learning.
3. I am ready to implement policy and provide leadership to support staff for the enactment of proactive school discipline procedures that enhances student learning.
4. I will provide leadership to staff and encourage community involvement in the development and implementation of school safety and crisis plans.
5. I will build positive, nurturing relationships with students.
6. I will work hard to improve student attendance, dropout and graduation rates.
7. I will place student achievement as my number one priority and publicly celebrate students successes.
8. I will maintain through facilities and plant support, a safe, orderly environment conducive to student learning.
9. I will work with parents and the community to encourage active partnership in the educational process, in working together with the school to promote programs and services for all students.
10. I will be the "drum-major" for creating a healthy school culture, which promotes social skills, conflict and resolution management, prevention and intervention programs for all students.

"This I can and will do!"

"The promise of a successful tomorrow cannot be given without positive leadership." ~ A. Hart

"Positive Behavior is Essential to Academic Achievement!"
